Technical drawing of a rectangular reinforced concrete slab. The drawing shows a plan view with dimensions and reinforcement details. The overall width is 480.8 cm, indicated by a red dashed line and dimension line at the bottom, labeled "480.8" and "42 N4 c/12". The overall length is 200 cm, indicated by a vertical dimension line on the right, labeled "200". The slab has a thickness of 18 cm, indicated by a horizontal dimension line in the center, labeled "18". The reinforcement consists of 18 N3 bars with a diameter of 5.3 mm, spaced at 485 mm, labeled "18 N3 ø5.3 C=485". The slab is supported by a wall on the left and a column on the right, both shown in cross-section.
